

LEGAL NOTICE

STATE OF LOUISIANA, OFFICE OF CONSERVATION, BATON ROUGE, LOUISIANA.

In accordance with the laws of the State of Louisiana, and with particular reference to the provisions of Title 30 of Louisiana Revised Statutes of 1950, a public hearing will be held in the Hearing Room, 1st Floor, LaSalle Building, 617 North 3rd Street, Baton Rouge, Louisiana, at 9:00 a.m. on **TUESDAY, NOVEMBER 27, 2007**, upon the application of **CORONADO ENERGY E&P COMPANY, LLC.**

At such hearing the Commissioner of Conservation will consider evidence relative to the issuance of Orders pertaining to the following matters relating to the **Hosston Formation, Reservoir A, Sand Units 2 and 6 and the Cotton Valley Formation, Reservoir A, Sand Unit 75**, in the Bethany-Longstreet Field, DeSoto Parish, Louisiana.

1. To permit the applicant to drill, designate and utilize four (4) alternate unit wells for the HOSS RA SU2 and HOSS RA SU6, at the locations shown on the plat submitted with the application, in exception to the spacing provisions of the Office of Conservation Order No. 289-A-g-3, effective October 7, 1977.
2. To permit the applicant to drill, designate and utilize three (3) alternate unit wells for the CV RA SU75, at the locations shown on the plat submitted with the application, in exception to the spacing provisions of the Order No. 289-J, effective March 1, 1974.
3. To permit the operator to produce the unit allowable for the aforementioned units from the unit well, the existing alternate unit wells, and the proposed alternate unit wells, in any combination at the discretion of the operator.
4. To find that the proposed alternate unit wells referenced above are necessary to efficiently and economically drain that portion of the reservoir covered by their respective unit.
5. To permit the operator to downhole combine production from the HOSS RA SU2 and CV RA SU75, said units and ownership of production attributable thereto are identical to the best of the applicant's knowledge.
6. To provide that the allowable assignment and production reporting for any well in which production is combined downhole should be named and credited to the Cotton Valley Formation, Reservoir A.
7. To continue in effect the existing designations and use of the current unit well and alternate unit wells for each of the units referenced above.
8. Except to the extent herein set forth, to continue in full force and effect the provisions of Order No. 289, effective October 1, 1954, as amended and supplemented by the 289-A-g Series of Orders relating to the Hosston Formation, and Order No. 289-J, effective March 1, 1974, as amended and supplemented by the 289-J Series of Orders relating to the Cotton Valley Formation, the units created thereby, and applicable Statewide Orders.
9. To consider such other matters as may be pertinent.

The Hosston Formation, Reservoir A, was initially defined in Order No. 289, effective October 1, 1954, and was further defined in Order No. 289-A-g-2, effective April 14, 1977.

The Cotton Valley Formation, Reservoir A, was initially defined in Order No. 289-J, effective March 1, 1974, and was further defined in Order No. 289-J-1, effective April 14, 1977.

Plats are available for inspection in the Office of Conservation in **Baton Rouge** and **Shreveport**, Louisiana.
